*Aries
Ascendant*

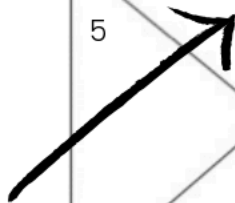

The diamonds and triangle are called houses. This is the 1st house

*Your rising
sign will
always be
in the first
house and
defines the
entire chart*

This is the 4th house

The number represents the zodiac sign in the house

This is the 7th house

This is the 10th house

*House = section of your life
Sign = qualities of the house
Planets = influence on house*

*Cancer
Ascendant*

Cancer is ruling
the 1st house
because it is the
4th Zodiac Sign

*The sign
rising on
the horizon
will
always
rule the 1st
house*

This is the
4th house
ruled by
Venus in the
Sign of
Libra

This is
Sagittarius,
the 9th
Zodiac Sign

This is the 7th house
being ruled by **Saturn**.
Saturn rules the 10th
sign of **Capricorn**

This is the
10th house
ruled by
Aries and
the planet
Mars

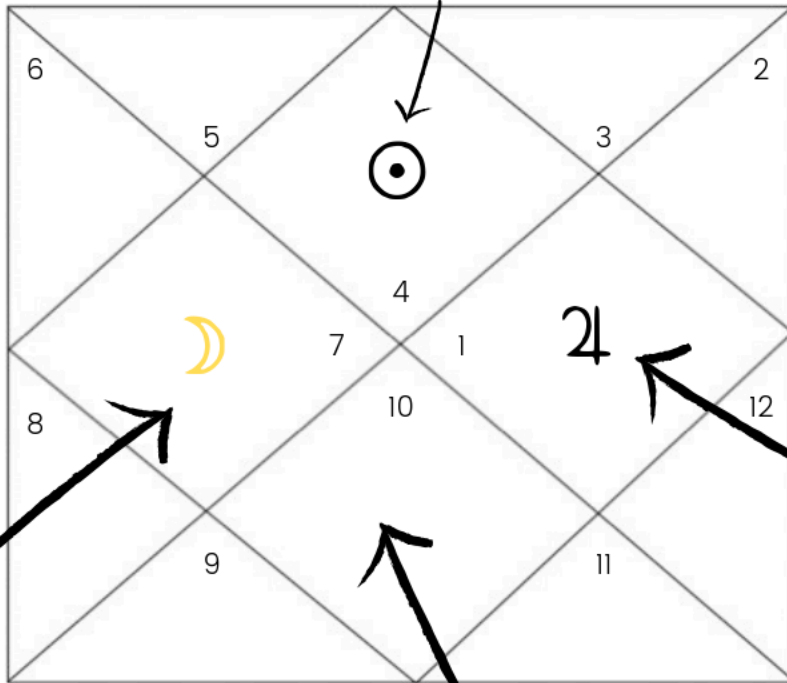

*The houses never
move, only the
Zodiac Signs*

Sign & Planet Rulership

This is the symbol for **Sun**. In this chart Sun is in the **1st house of Self** ruled by the 4th sign of **Cancer**

Signs rule Houses & Planets rule Signs

This is the **Moon** in the **4th house** of **Libra**. Moon rules the 4th sign of **Cancer** in the **1st house**

Cancer Rising will be ruled by the **Moon**

This is the **7th house** being ruled by **Saturn**. Saturn rules the 10th sign of **Capricorn**

This is the symbol for **Jupiter**. In this chart it rules the **6th and 9th houses**

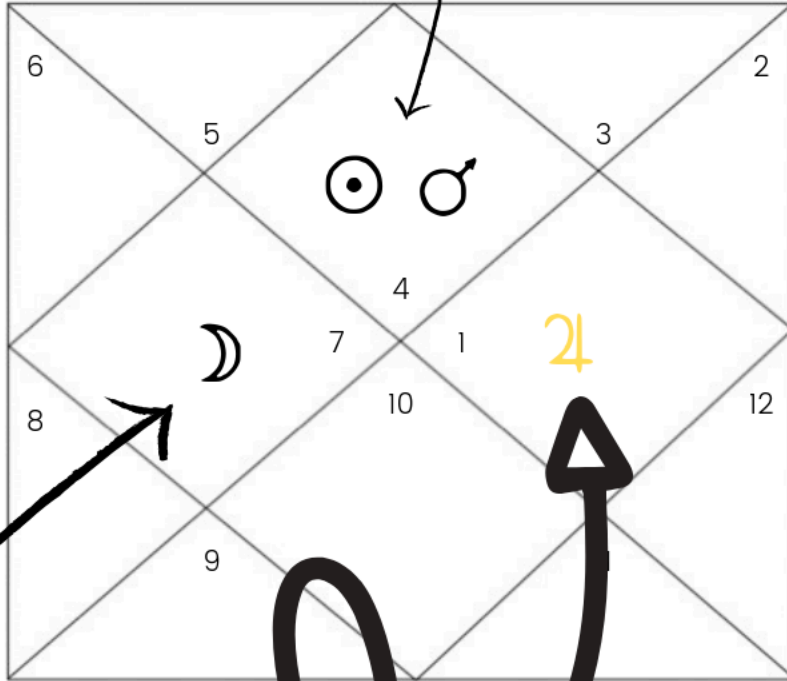

The houses never move, only the Zodiac Signs

The Opposite Aspect

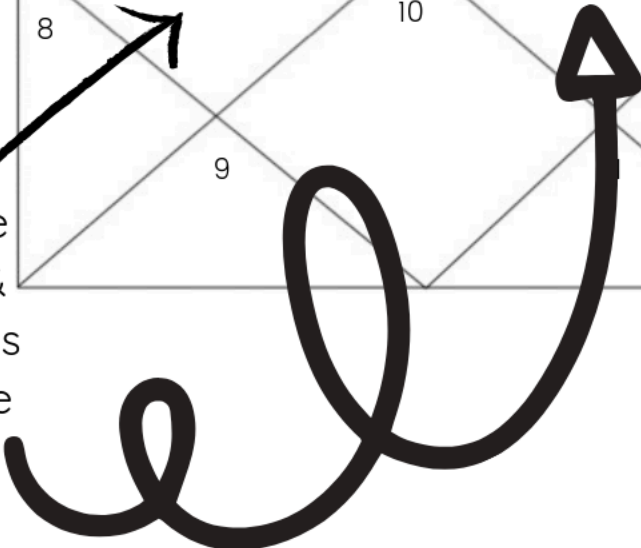

When more than one planet is in a house it is called a **conjunction**. Here Sun and Mars are in conjunction

Wherever a planet is positioned that house will be influenced by the qualities of that planet

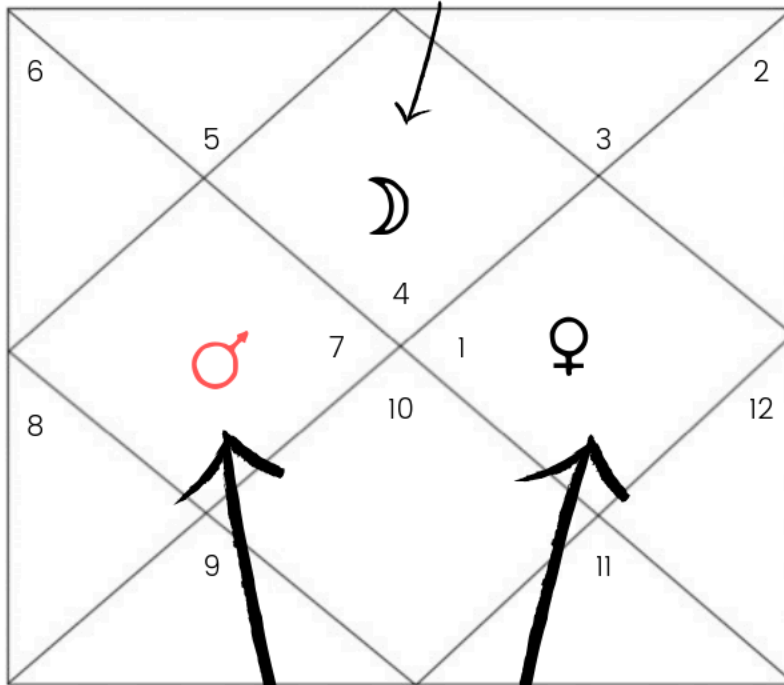

Counting from itself, Moon is **opposite** the 10th house & Jupiter. This is known as the 7th **aspect**. All planets have this aspect

Chart*

*Cancer
Ascendant*

When a planet is placed in a sign that it rules. Strength is given to that planet. Here, Moon rules Cancer and is also in the sign of Cancer in the 1st House

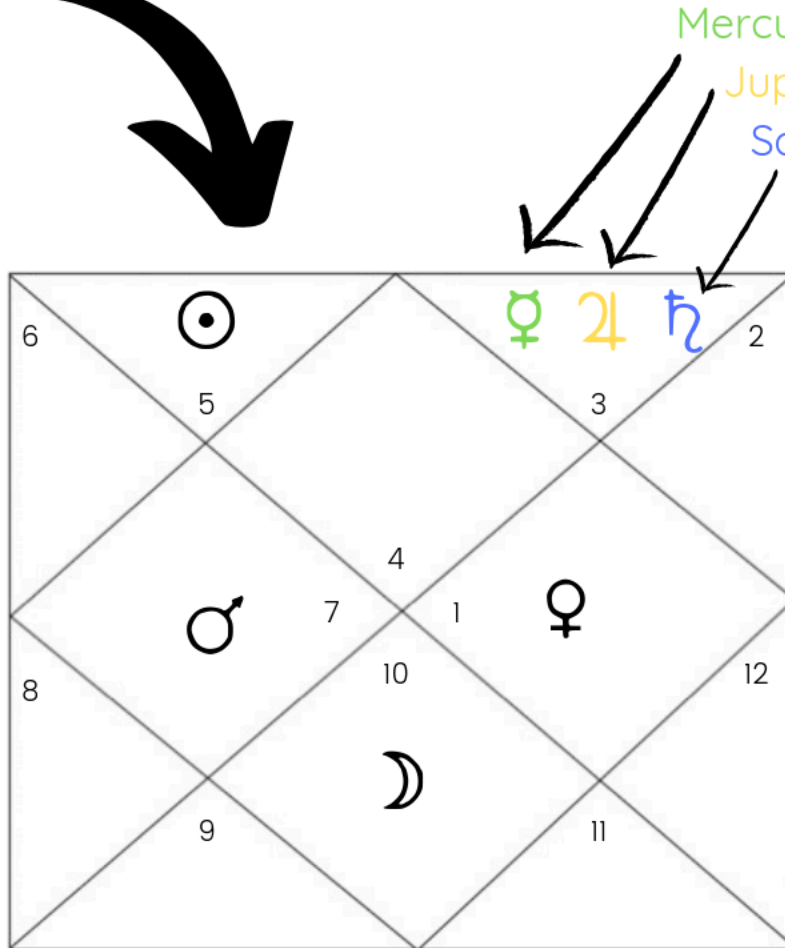

*Mars is in
Libra ruled
by Venus*

When 2 planets exchange signs it is called a **Mutual Exchange** and is very auspicious

*Venus is in
Aries ruled
by Mars*

Mercury
Jupiter
Saturn

Moon is in
Capricorn
ruled by
Saturn,
Saturn is in
Gemini ruled
by **Mercury**,
Mercury is in
its own sign.

Moon will
behave much
like **Mercury**.

Saturn is in
Gemini ruled
by **Mercury**.
Mercury is in
the **12th house**
of its own sign
Gemini. So
Mercury is the
final
dispositor of
Saturn.
Mercury will
influence how
Saturn will
behave in the
sign of **Gemini**
and in the **12th**
house

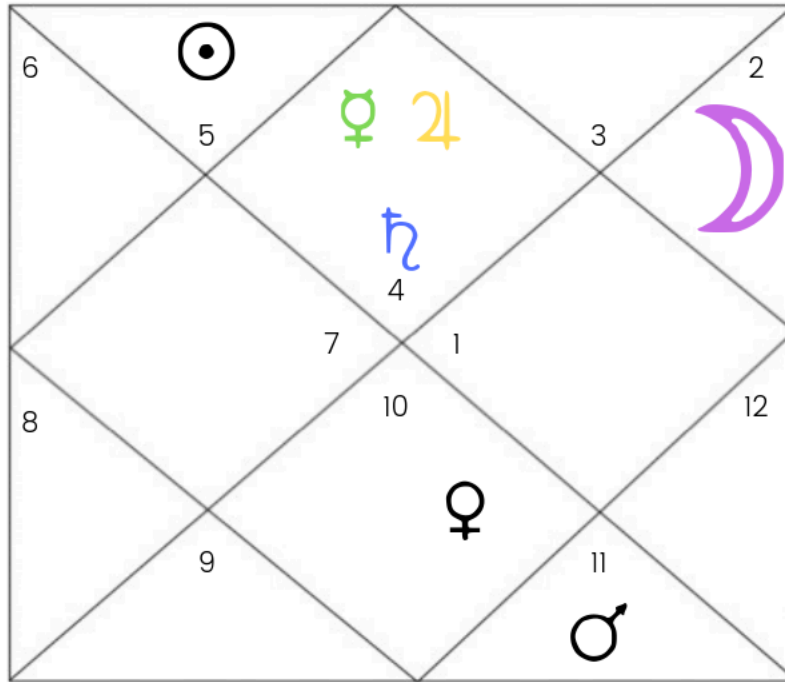

*The clues to how a planet
will behave are all in the
final dispositor*

Analyzing the Moon in a Birth Chart

Moon is our mind, our emotions and feelings. Moon is our thoughts and what we lust after.

Moon is in the 11th house of gains & in the sign of Taurus. Taurus represents wealth, comforts and resources.

Moon is in the 11th house of gains & in the sign of **Taurus**. Taurus represents wealth, comforts and resources.

Moon is in the 11th house of gains & in the sign of **Taurus**. Taurus represents wealth, comforts, beauty and resources. This placement alone suggests the native will lust after wealth, acquiring beautiful things and that there will be large gains through creating own wealth.
